PROFILE

Highly motivated Frontend & WordPress Developer focused on building scalable, CMS-driven websites. Adept at utilizing React.js, JavaScript, HTML, and CSS to deliver maintainable, high-quality front-end solutions. A collaborative team player dedicated to continuous learning and translating user needs into highly functional interfaces.

SKILLS

- **Frontend:** HTML5, CSS3, JavaScript, React.js, Next.js, Tailwind CSS
- **WordPress:** Elementor, Custom Themes, WooCommerce, ACF, REST API
- **Backend/DB:** PHP, MySQL, Node.js, Express, PostgreSQL
- **Tools:** Git/GitHub, Netlify

WORK EXPERIENCE

- **WordPress Developer Intern | The Expert Web Agency (via Internshala) April 2026 - July 2026**
 - Built and customized dynamic web pages using Elementor Pro, ensuring alignment with design templates and project specifications.
 - Configured localized, industry-specific content by auditing and adapting AI-generated text to fit targeted business niches and improve user engagement.
 - Conducted comprehensive Quality Assurance (QA) testing, focusing on cross-device responsiveness, SEO optimization, and basic security vulnerability checks.
 - Executed end-to-end site testing protocols to identify bugs, optimize page speed, and ensure seamless user experiences prior to launch.

PROJECTS

Portfolio Website (React + Headless CMS)

- Developed and maintained a personal portfolio website to showcase projects and skills.
- Integrated Contentful CMS to manage project content dynamically without code changes.
- Implemented responsive UI and reusable React components.
- Demonstrates experience with headless CMS architecture and modern frontend workflows.
- Technologies: React JS, JavaScript, HTML, CSS, Contentful CMS
- Live Site : <https://karanbhanushali-portfolio-cms.netlify.app>
